Subject: Minutes of the Meeting regarding DSL Operators' Issues

This is with reference to the Minutes of Meeting of even number dated May 5, 2009. The following decision was also taken in the meeting:

“DSL operators shall be allowed to take their fiber (owned or leased) to one PTCL’s co-location / exchange in each city of operation of DSL operator. However, fiber access between any DSL Service Providers’ co-location and other DNOPs / DSL Service Providers’ co-location or between an LDI/LLO will not be allowed”.

2. This issues with approval of the Authority.
